HERBATINT®

— SINCE 1970 —

FINALLY, A PERMANENT HAIR COLOR EVEN **SENSITIVE SKIN** WILL LOVE!

Nature is finally giving you what you've always wanted...the **world's safest, most effective permanent hair color** that is clinically proven to be safe for people with sensitive skin. The harsh, drying experience of ammonia-based coloring is replaced by the gentle certified organic herbs in Herbatint, providing vibrant, long-lasting color. So for stronger, revitalized hair that is luminous and silky soft, choose Herbatint. You'll fall in love!
